ROBERTSON

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

SAINT

587

SALOMONSKY

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In **Norfolk** the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the **Cafe St. Denis** is the place par excellence for rest and the refreshment of the inner man.

SMALLWOOD

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

SPIVEY

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

SWINGLEY

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

TIDEWATER

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

WARREN

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

WILLIAMS

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

WITTIG

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

ST. DENIS.

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

BRINKLEY

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

DENIZET

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

FRIEDLIN

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

HARRIS

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

JAMISON

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

LAY

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

PARSONS

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

TOLER

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.

WHITEHEAD

1211

WHITSON

ST. DENIS

A name that in France for a thousand years has stood for the historical association of chivalry and high romance. In Norfolk the name of an elegant cafe, where food and liquors of a superior quality are served in a manner equal to any of the famous cafes of old Paris. Personal service, in the true sense of the term, is to be enjoyed within the hospitable doors of this celebrated cafe. The verdict of its patrons justifies the statement that the Cafe St. Denis is the place par excellence for rest and the refreshment of the inner man.
